

Global Digital Corps FieldOps Division
Cadet Training Certificate

This is to certify that

Aditya H

has successfully completed the training for
GDC FieldOps Cadet Training Program.

The training involved two courses that covered
how government systems work during emergencies and
exposure in using CoronaSafe Network, a digital public good
recognised by the United Nations that is used in
disaster management by state/district administrations.

At time of a national emergency, the certificate holder has a basic
understanding of disaster management and field operations and
can be a valuable volunteer for the benefit of the society.
